

## New Hampshire General Court

### Bill Status Table Structure

Connecting to the New Hampshire General Court Database via ODBC

1. SQL Server: 66.211.150.69\squlexpress (depending on the software being used to connect you may not need the 'squlexpress', just the ip.)
2. Logon using sql server security credentials
  - a. Username: publicuser
  - b. Password: PublicAccess
3. The default database is NHLegislatureDB

### Tables and fields

#### bodystatuscodes

| Column Name       | Data Type |
|-------------------|-----------|
| BodyStatusCode    | varchar   |
| StatusDescription | varchar   |

#### committees

| Column Name           | Data Type |
|-----------------------|-----------|
| CommitteeCode         | varchar   |
| CommitteeName         | varchar   |
| CommitteeAbbreviation | varchar   |

#### county

| Column Name        | Data Type |
|--------------------|-----------|
| CountyCode         | varchar   |
| CountyDescription  | varchar   |
| CountyAbbreviation | varchar   |

**docket**

| Column Name     | Data Type |
|-----------------|-----------|
| SessionYear     | smallint  |
| LSR             | smallint  |
| ExpandedBillNo  | varchar   |
| StatusDate      | datetime  |
| CondensedBillNo | varchar   |
| LegislativeBody | varchar   |
| Description     | varchar   |

**generalstatuscodes**

| Column Name        | Data Type |
|--------------------|-----------|
| GeneralCode        | varchar   |
| GeneralDescription | varchar   |

**housedistricts**

| Column Name  | Data Type |
|--------------|-----------|
| countycode   | nvarchar  |
| districtcode | nvarchar  |
| ward         | int       |
| town         | nvarchar  |

**houseRemoteTestify**

| Column Name   | Data Type |
|---------------|-----------|
| firstName     | varchar   |
| lastName      | varchar   |
| committeeDate | datetime  |
| committeeID   | int       |
| legislationID | int       |
| representing  | varchar   |
| town          | varchar   |
| state         | varchar   |
| nongermane    | bit       |
| testimonyText | varchar   |

**legislators**

| Column Name     | Data Type |
|-----------------|-----------|
| PersonID        | int       |
| EmployeeNo      | varchar   |
| LastName        | varchar   |
| FirstName       | varchar   |
| MiddleName      | varchar   |
| LegislativeBody | varchar   |
| SeatNo          | varchar   |
| CountyCode      | varchar   |
| District        | varchar   |
| Party           | varchar   |
| Street          | varchar   |
| Address2        | varchar   |
| City            | varchar   |
| State           | varchar   |
| ZipCode         | varchar   |
| EMailAddress1   | varchar   |

### rollcallsummary

| Column Name        | Data Type |
|--------------------|-----------|
| sessionYear        | smallint  |
| legislativeBody    | varchar   |
| voteSequenceNumber | smallint  |
| voteDate           | datetime  |
| condensedBillNo    | varchar   |
| yeas               | smallint  |
| nays               | smallint  |
| present            | smallint  |
| absent             | smallint  |
| abbreviatedTitle1  | varchar   |
| abbreviatedTitle2  | varchar   |
| question_Motion    | varchar   |
| title1             | varchar   |
| title2             | varchar   |

### rollcallhistory

| column Name        | Data Type |
|--------------------|-----------|
| sessionYear        | smallint  |
| legislativeBody    | varchar   |
| voteSequenceNumber | smallint  |
| employeeNumber     | varchar   |
| condensedBillNo    | varchar   |
| vote               | Varchar   |

### senatedistricts

| Column Name  | Data Type |
|--------------|-----------|
| countycode   | varchar   |
| districtcode | varchar   |
| ward         | int       |
| town         | varchar   |

### subject

|           |          |
|-----------|----------|
| subjectID | smallint |
| subject   | Varchar  |
|           |          |

**sponsors**

| Column Name   | Data Type |
|---------------|-----------|
| SessionYear   | smallint  |
| Lsr           | Smallint  |
| LSRSequenceNo | Tinyint   |
| employeeNo    | Varchar   |
| PersonID      | Int       |
| primeSponsor  | Int       |
| signedOff     | Bit       |
| legislationID | int       |
